

PROJECT 5 QUOTABLE SITE OF CITABLE QUOTES 65 PTS total

due WEEK 14 APRIL 29

For this project you will create a five-page site using HTML, CSS and Dreamweaver. Your site will be comprised of an index page and four "Quotation" pages - each of which will display a typographic design of a quotation. The index page will contain links to the four pages. The quotes, and your designs, must represent a common theme.

[Click here to view example](#)

- 1 : Find four quotations which appeal to you and have a common theme and/or author. Make sure you know to whom to attribute each of the quotes (i.e. who said them). You will present your quotes at the beginning of class. **Due** Monday, April 15 **Value** 5 pts.
- 2 : Create a minimum of **five** distinctly different concept roughs for the index page. Roughs should be hand-drawn on PLAIN WHITE PAPER. Consider at this point whether you want your links to open in the same window, or in a separate pop-up window (as in the example). **You will create these roughs in class after you've presented your quotes.**
Due Monday, April 15 (crit at end of class) **Value** 5 pts.
- 3 : Create computer-generated comps in Adobe Photoshop/Illustrator for:
 - a Your project homepage (choose your favorite design from Step 2, revising it as necessary based on feedback you received during crit).
 - b Your four quote pages.

Create wireframes with pixel dimensions for placement of all key elements in your pages. Wireframes may be hand-drawn or computer-generated.
Due Monday, April 22 (one-on-one review) **Value** 25 pts.
- 4 : Create art for all the elements on your project 5 homepage, and each of your quote pages, using Adobe Photoshop or Illustrator. Don't forget to include an attribute for each quote.
- 5 : Create your web images using Photoshop/Illustrator.
- 6 : Create, construct and assemble your pages in Dreamweaver.
- 7 : Update your *site home page* with a link to your *project 5 page*. Create a link to your *site home page* from your *project 5 page*.
- 8 : Upload/synchronize all new or modified files to your server.
Due Prior to start of class, Monday, April 29 **Value** 30 pts.
